Tasting Note

Wonderfully integrated with ripe dark fruits, almond, chocolate and nutty flavours that are combined with oak aged characters to give a persistent, flavoursome palate.

Suggested Cuisine

Enjoy after a meal with a platter of cheeses, dried fruit and nuts. Perfect for cocktail creation.

Winemaking

Our grapes are harvested when they have reached the perfect balance of richness and flavour concentration. Following the crush and a partial fermentation process to preserve some of the natural sweetness, the wine is pressed. It is then fortified with neutral grape spirit before undergoing a lengthy maturation period.
