

DEEN

Deen De Bortoli was a true visionary in the Australian wine industry, whose mission was to create quality wine for everyone to enjoy. The 'DEEN' range is a true reflection of his pursuit and a great tribute to Deen himself. Our Father, everybody's Deen.

DEEN SAUVIGNON BLANC 2025

Season

A dry winter followed by a warm spring and summer enabled vines to produce a healthy crop of fruit. A dry harvest period ensured no disease and optimum ripening conditions.

Tasting Note

Aromas of passionfruit, gooseberry and hints of grapefruit lead into a juicy long and refreshing palate.

Suggested Cuisine

Grilled seafood.

General Characteristics

Dry

Winemaking

Wine making techniques included fermentation at elevated temperatures and fermentation with solids. These techniques improve texture and softness without sacrificing varietal expression. Wine was left on yeast lees 'sur lie' for four months prior to blending. 18% of the blend was fermented in 15+ Year Old French Oak barriques for added elegance and finesse.
