DE BORTOLI LOVE MOSCATO 2025

Variety

Muscat Gordo Blanco, White Frontignac

Season

A dry winter gave way to a warm spring and sun-filled summer, nurturing the vines and delivering beautifully healthy fruit. With dry conditions continuing through harvest, the grapes ripened evenly and cleanly, free from disease and full of character.

Tasting Note

A glimmering pale straw with a touch of green, this wine is lively with fresh citrus and subtle floral tones. Light, crisp and full of energy — made for sunny days and a delightful reminder of warmer months. Serve well chilled.

Wine Style

Effervescent

Suggested Cuisine

Kick it up a notch by pairing it with Prosciutto-wrapped rockmelon or figs. Alternatively, for a sweet pairing, try Mascarpone with berries and crushed amaretti biscuits.

General Characteristics

Sweet / Light bodied

Additional Information

Vegan, Vegetarian

Winemaking

The fruit was harvested and gently pressed cold using state-of-the-art bag presses, preserving its pure, delicate expression. The juice was then left to settle naturally before being carefully racked clean. Fermentation took place at cool temperatures to capture vibrant, fresh fruit characters, and was thoughtfully halted once a harmonious balance of alcohol, sweetness, acidity and fine bubbles was achieved.
