DE BORTOLI LIMONCELLO SPRITZ

Tasting Note

Refreshingly light and easy drinking, De Bortoli Limoncello Spritz is bubbly with an explosion of lemons and plenty of citrus charm. A delicious spritz to be enjoyed whenever you feel like it, with or without food. Our suggestion is to serve it over ice in a cocktail glass and garnish with a fresh lemon wheel and mint sprig. So, pop, pour, and sip your way to a brighter day with De Bortoli's Limoncello Spritz. Whether you are relaxing in your backyard down under or dreaming of a perfect escape, this spritzzy zesty drop is ready to bring a bit of sunshine to your everyday life.
