DE BORTOLI RUTHERGLEN ESTATE ARNEIS 2022

Variety
Arneis

Vineyard
Our Arneis is grown at the De Bortoli Shelley's vineyard on the eastern edge of the Rutherglen region. The site is east facing and produces Arneis with strong varietal definition and flavours.

Season
2022 was a slightly cooler than average year but without any extreme heat. With higher than average rainfall the vines grew well in Rutherglen. Due to regular rainfall events and a mild summer it was a stressful but ultimately rewarding year in Rutherglen for our white wines and roses.

Tasting Note
Pale straw with green hues. This wine has lovely fresh acidity, generous rich fruit weight on the mid-palate with a delicate citrus note and textural finish. Spice and pears with hints of almonds.

Wine Style
Dry White

General Characteristics
Dry / Light bodied

Additional Information
Vegan, Vegetarian

Winemaking
We fermented the Arneis juice in stainless steel tanks under conditions that retain maximum fruit flavour. We fermented the wine at cool temperatures to accentuate the delicate pears and spice varietal flavours. After fermentation the wine was left on the yeast lees in the tank which were occasionally stirred into the wines to build texture to the mid palate. The wine was left on yeast lees for 2 months before bottling.
