THE ACCOMPLICE SHIRAZ 2021

Season

Following good rains during winter, good soil moisture along with warm spring days leading into the 2021 vintage allowed the vines to enjoy a good growing season with crops returning to an average size. Relatively mild summer temperatures enabled the fruit to retain a good acidity and freshness of flavour. Harvest began mid-January for the white grapes, with red grapes starting a month later and all Riverina fruit harvested prior to the end of March. Good yields and very good quality.

Tasting Note

With a bright red appearance, this youthful Shiraz exhibits a chorus of juicy red berries flavours with layers of spice and a soft tannin finish.

Wine Style

A fruit driven soft juicy Shiraz.

Suggested Cuisine

Enjoy with a plate of spaghetti bolognese, your favourite grilled BBQ meats or a chicken parmigiana.
