

VIVO

The fresh, lively friend for your weekend session. VIVO - wine for the livin'. The Vivo range is available in Australia from on-premise venues only.

VIVO SAUVIGNON BLANC 2020

Region
Riverina

Vineyard
Vineyards are selected with vines that have large canopies to help protect the fruit from the harsh summer sun. This helps promote those intense aromatics that has made Sauvignon Blanc famous. We also manage to sneak some cooler climate fruit from Victoria as well.

Season
Drought, fire and flood, followed by plague. The 2020 vintage threw everything at us, fortunately the smoke did not reach the Riverina and impact the fruit. The drought again impacted us with a dry winter and early spring. Thus resulting in some restriction of growth and yield. Leading to good quality disease free fruit. Harvest began 7 days later than the previous few years beginning after Australia day.

Tasting Note
Aromas of Kiwi and Passion fruits are backed up by a juicy tropical palate, with just enough acidity to add some crunch.

General Characteristics
Dry / Medium bodied

Additional Information
Vegan

Winemaking
Wine making techniques included fermentation at elevated temperatures and fermentation with solids. These techniques improve texture and softness without sacrificing varietal expression. Wine was left on yeast lees 'Sur lie' for 3 months prior to blending.

Wine Analysis
Alc/Vol: 12%, pH: 3.35, TA: 5.8g/L

Cellaring
Up to 2 Years

Winemaker
John Coughlan
