WILLOWGLEN CHARDONNAY 2020

Variety
Chardonnay

Region
Riverina

Vineyard
Select premium vineyards were chosen for their intense varietal flavour and picked at their peak.

Season
Drought, fire and flood, followed by plague. The 2020 vintage threw everything at us, fortunately the smoke did not reach the Riverina and impact the fruit. The drought again impacted us with a dry winter and early spring. Thus resulting in some restriction of growth and yield. Leading to good quality fruit. Harvest began 7 Days later than the previous few years beginning after Australia Day.

Tasting Note
Very pale straw with a green tinge. Tight and bright early picked peach and melon notes carried on a weighty palate, culminating in a fresh and crisp finish with the most interesting of oak nuances.

Wine Style
Medium bodied, seriously delicious Australian Chardonnay!

General Characteristics
Medium Dry / Medium bodied
